LATEX using TU Darmstadt's Corporate Design

Poster with tudaposter
Additional information can be added below the subtitle.
March 2, 2025

General information

The document class tudaposter is part of the TUDa-CI bundle. It is for posters and non-scientific posters using TU Darmstadts Corporate Design.

This document is based on DEMO-TUDaPoster with the addition `type=announcement`. It is mainly for notices announcing final theses and consists of the individual options: `marginpar=true,title=small,indenttext=false,logo=head,colorsubtitle=true`
