This is my C program:

```c
#include <stdio.h>
int main(void)
{
    int a, b, c;
    printf("Enter two numbers to add: ");
    scanf("%d%d", &a, &b);
    c = a + b;
    printf("Sum of entered numbers = %d\n", c);
    return 0;
}
```
